Ver. 2. When we go o'er the top we'll never, never stop
Till we plant the stars and stripes in old Berlin,
The solar plexus blow, Then Kaiser Bill will know;
That the Yankee Doodle punch is sure to win.

(chorus)

Ver. 3 When this fool war is done and ev'ry scrapping Hun
Has declared he's got enough and some to spare
We'll hit the shell-torn pike and take a gladsome hike
To the home we love so well, back "outer there".
