take A-mer-i-ca's cap-i-tal and con-quer Un-cle Sam. And
now the face of Un-cle Sam on the fir-ing line is seen It
last-ly we will turn the trick with our new made sub-mar-ine - Ach -
rit.
was an aw-ful wak-ing it was a Ger-man dream!
mein Gott, we're wak-ing up it was a Ger-man dream!

Just a dream of Kais-er Bill with heart as black as night
Just a dream of
Ger-man-y that she was in the right
Now their eyes are glar-ing for
