Till Ready. VOICE.

Did it ev-er oc-cur to you— What you owe to the Red, White and
We are wanted each one and all— Let us all hark-en now to the

p *mf*

Blue— For this Grand Old Na- tion— The fin- est since cre- a- tion—
call— Then we will all be there— And be sure you do your full share—

— Has done you naught but good— And help her ev-'ry A-mer-i-can should— For
To Keep the grand old Flag— Up where it nev-er, it can-not ev-er drag— For

now she needs you more— Than she ev-er did be-fore—
then you proud will be— Of your Na- tion - al - i - ty.

CHORUS.

So if you do your bit — With Un - cle Sam you'll make a

p-f

hit — If you're loy - al to the core — Like your Dad - dy

was of yore — We soon will win the fight — For we

know the cause is right — And as long as the world goes

round — They'll nev - er put A - mer - i - ca down — So

1st. 2nd.
