VOICE

Come gath - er its folds to your hearts boys Kiss them and car - ry them on — O'er the
Re - mem - ber the he - roes who gave it Their lives were not giv - en in vain Man - y

o - cean and fields of bat - tle. — Till vic - t'ry or peace is won — Let
he - roes will die to save it — On o - cean and on trench'd plain — On

those who would share its pro - tec - tion. Come do their part toward the foe — Let
God's o - cean free let it wave — A guid - ing star on the sea — True

those who would dare to be - tray it — To the land of the en - e - my go. —
em - blam of free - don's de - vo - tion — To the cause of de - moc - ra - cy. —

CHORUS

There is just one flag in this world for me Flag of Wash - ing - ton and lib - er -

ty 'Tis the flag of Lin - coln and Me Kin - ley — And of Woodrow Wil - son too — 'Tis the

flag of the poor and the friend - less Flag of the brave and the true — 'Tis the

flag of a hope that is end - less Flag of the Red, White and Blue —
