## CHORUS

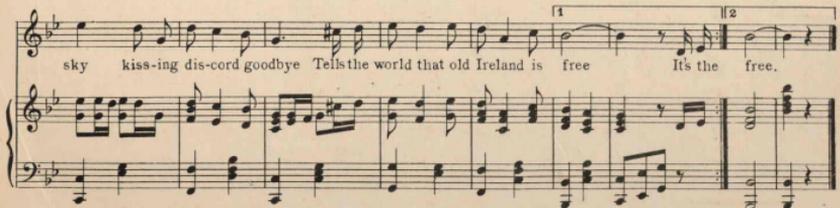

It's the day of the I-rish Re-public you know And a fair-er day never was seen. For the

message of peace that's en-twin-ed in its flag Or its col-ors the Orange, White and Green. They have

fought and they've bled for world freedom you know And at home they could never agree. But that flag in the

sky kiss-ing dis-cord good-bye Tells the world that old Ireland is free Its the free.
