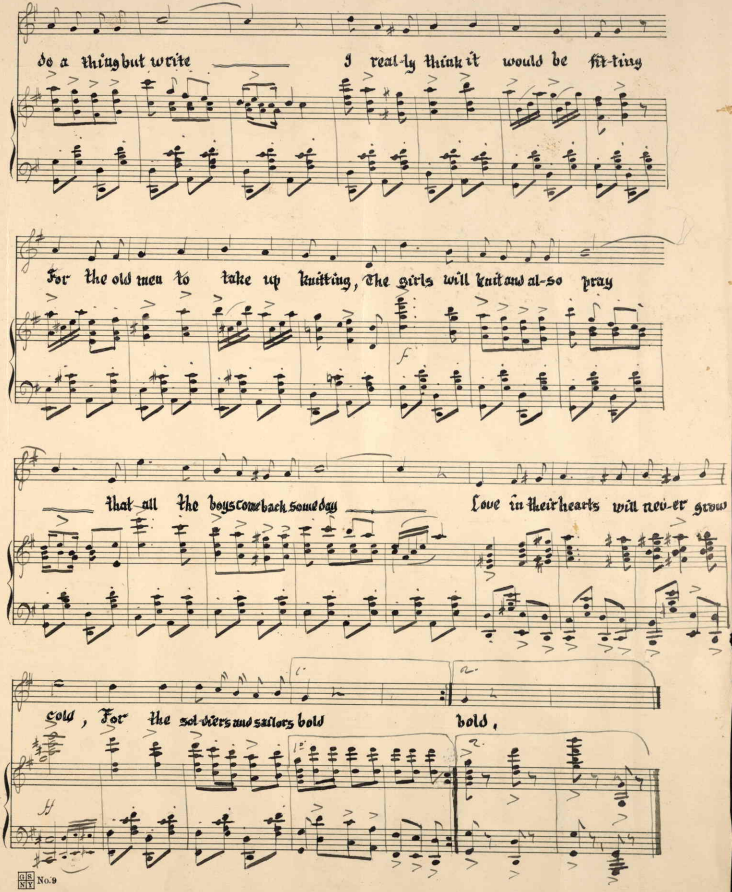
Sleep in a sailors grave, And with this yarn knit sweaters
bold or a soldier brave, Now girls because I knit don't
right, to fit, The boys that go to fight, And knit some
smile but take this yarn and knit awhile, Each garment
mufflers to keep the cold from a soldier brave or a sailor or bold.
knit is better than gold, For a soldier brave or a sailor bold.
Chorus
Our boys are training for the fight old men don't



do a thing but write I real-ly think it would be fit-ting
For the old men to take up knitting, The girls will knit and al-so pray
that all the boys come back some day Love in their hearts will nev-er grow
cold, For the sol-diers and sailors bold bold.
