# "I MISSED YOU"

Words and Music by JOHN E. COOPER

The days are gone that brought me tears,  
Just like the flow - ers need the dew,

*Tempo di Valse*

*f*

It seemed that you were a - way for years; Just like a babe you had made me cry, When you had  
Dea-rie that's how I have need - ed you; It's on - ly you that can make me glad, For all the

kissed me good - by; I've lost the nights of hap - pi - ness. I've lost the hours of love:  
sor - rows I had; Don't let my long - ing be in vain, Don't make my dreams un - true:

And now you bring joy in - to my heart, With the sun - beams from a - bove.  
Hold me in your lov - ing arms a - gain, A sto - ry I'll tell to you.

CHORUS

I missed you ev-er since you had left dear, I missed you night and day;

Thoughts dear of you made me lone ly, Thoughts that you were far a way; I would

give all this world if I could dear, If my dreams all come true; You have

come back to be mine dear, For I love on - ly you. I missed.
