Keiser, Blues

By ~~XXXX XXX XX~~

1st The Germans raised a lot of dust, but low the sun dose shine
I love budwiser not the kaiser, he's no friend of mine
the Soldiers from the U.S.A. Have given Kaiser the blues to day
When Uncle Sam sends more airplanes high, then old Kaiser Bill
Will loudly Cry.

Chorus

I am sorry I made Uncle Sam mad, he has taken all land all I ever had
look his men there are coming after me, from there home a cross the sea
thats why I got the fighting blues and I really dont know what to do
The soldiers from the old good U.S A, and now there are in france to day

2nd

So I was runing things my own way, untill Uncle Sam wrote me one day
He told me in a friendly tone to let his ships alone I
Did not listened I thought him insane now he is coming
in his airplane you see whats done to me and all the ~~houses~~
we have lost all and all we ever had
