"U. S. A." Emblem Song

Words and Music by
ELLA TICHENOR CRAWFORD

Spirited

Hon-or to our "Ea-gle" em-blem, With its pin-ions o-pened wide, And its
sense of strong pro-tec-tion, A-mer-ic-a to guide. "The
Oak" sends forth its tri-bute, "Lau-rels" beau-ty adds its mite, And the
wav-ing folds of "Stars and Stripes," A mes-sage wings in flight.

Refrain

Blest "A-mer-ic-a!" We hail thee! You're the land of our heart's great pride! We will
hold thy em-blems sa-cred, May God pro-*cresc.* tect and *f* guide. May the
message of "Freedom" fling *ff* bold-ly, A-broad from your "Col-ors" so true, Till the
world shall re-ech-o the sto-ry, That is borne by the "Red, White and Blue."

2
All hail! To fair "Columbial"
"Uncle Sam"— we'll give three cheers!
"In God We Trust"— our motto,
Their guide through many years.
"Old Glory" led them onward,
And made us brave and free.
The "Bell of Seventy Six" proclaimed
A "Land of Liberty."

3
For our loved "Star Spangled Banner,"
Fought the "Boys of Sixty One."
Our "Boys in Blue" were valiant,
In "Freedom's" cause they won.
The "Boys of Ninety Eight"— for "Liberty,"
Our glorious flag unfurled.
For the "Boys of Nineteen Seventeen,"
The "Freedom" of the world.

4
Then a pledge we'll give our Country,
And the flag for which it stands,
We'll join hearts, hands and voices,
With comrades from all lands.
A nation strong, united,
We'll answer to the Call;
We'll raise our "Standard" to the sky,
'Tis Liberty and Justice for all.
