1. The vic-tory's won, the war is o'er, Our boys are com-ing home!

4. They wrecked the throne of ty - ran - ny And sent the cap - tives home.
5. Un - furl the Ban - ner, shout with glee: "The boys are com-ing home!"

They went to fight, as men of yore, And now our boys are com-ing home!
 Our hearts are thrilled by joy and pride: The gal-lant boys are com-ing home!
 They turned him quick - ly in - to flight And saved the day. They're com-ing home.
 "The world from bon - dage must be free," They said, our boys, now com-ing home.
 Our flag they hon - ored gal - lant - ly Both "o - ver there" and here at home.
