America's Call to Victory.

(1) Arise, arise, O men of might,
Gird on an armor strong;
The heavens flare with lurid glare,
To herald Death and Wrong.
Arise, arise, O freemen bold,
Annihilate the foe;
War aeros soar, great cannons roar,
Wild harbingers of woe.

CHORUS

March on, march on, America,
Fight, fight for liberty;
March on, march on, all nations march,
Halt not till victory.

(2) Arise, arise, nations, arise,
A sword for conquest drawn
Destroys by might, kills love and right,
Enslaves the freeman born;
Hurrah! Hurrah! America,
Fear not how dark war's night,
Hurrah! Hurray! We'll win the fray,
For God and Freedom fight.

(3) We come, we fight, we conquer all,
Unfurl against the sky,
"On earth, goodwill" "Thou shalt not kill,"
God's mandate raise on high;
Arise, arise, O glorious day,
War shall forever cease,
Hurrah! Hurrah! America,
Freedom, eternal peace.
