To Thee we raise our hum-ble voice Great God our King On
All hail to thee my na-tive-land may peace re-sound Where
Let free-dom ring in ev-'ry state thru out our land And

land or sea wher-ev-er we may be of Thy great name we'll sing "My
he-ros fought so gal-lant-ly and well in na-tions du-ty bound U-
chil-dren's voi-ces ev-er ev-er sing for truth and right we'll stand Then

coun-try 'tis of thee Sweet land of lib-er-ty' May peace good will and
nit-ed-ly they fought to make our coun-try free They lead us on to
hail to thee our flag wher-ev-er we may roam Old Glo-ry shine with

1st and 2d Verses 3
har-mo-ny a-bide..... with thee.
