COME ALONG BOYS

Popular Patriotic Song Hit.
Every word has a meaning.
Anyone can sing it after hearing it once.
Patriotic from beginning to end.
Appeals to the public who want something stirring and
catchy.
Has aroused more terrific enthusiasm than any other song
heard for many years.
Tells a perfect truth with a catchy popular melody.

Dedicated to the Patriotic Public, the Red Cross and the Soldier Boys

It will do more toward carrying out the sentiments of the
President and Congress than any song ever written.
Became popular over night.
Sung from coast to coast and from Lakes to Gulf.
Will be sung wherever our army and navy will be.
Awakens everyone to their duty.
It has made thousands of volunteers for the Red Cross, as
well as for the army and navy.
