---------L-I-B-E-R-T-Y----------
" IN THE LAND WHERE OUR FATHERS DIED"

LYRIC & MELODY BY
HUBERT DIXON

Now when I was a scholar way back in childhood daya,
We'd open school each morning with a pray'r;
And then we'd start a singing some patriotic phrase,
Now teacher she would always sing her share,
Then teacher started teaching about the U,S.A.
The sweetest land of "Liberty".
Now"Liberty" is grand, I'm sure you'll understand,
Each letter, L-I-B-E-R-T-Y----------Cho---.

CHORUS:-

L - stands for "Loyalty" a hundred million strong,
I - for "Independence" tho we haven't had it long;
B - stands for the "Brave" ones that many mothers gave,
E - is for our "Emblem" we'll always fight to save;
R - for our "Republic", and
T - stands for the "Truth",
Y - is for the "Yankee" it's only in its youth,
Now put them all together we have " Liberty"--
In the land where our fathers died.

Now there are many people who came across the sea,
And here they pledged allegiance to our flag;
They never had a freedom, the kind that make them free,
And now they're mighty glad that they can brag,
Now in this new creation let's not forget the "day",
Once more we saved our "Liberty".
Now we won't have to yearn, our children they will learn
Each letter L-B-E-R-T-Y,----------Cho---------
