

AMERICA, AMERICA FIRST.

Words by George E. Ficklin.

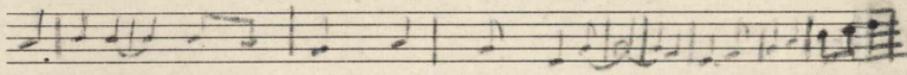

Music by Luther A. Clark.

America, America first! Allegiance I owe thee. I'll help

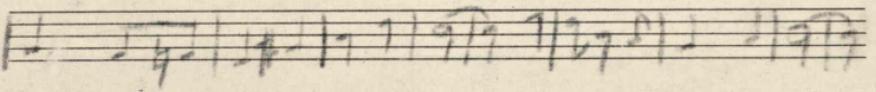

fight your battles, Wherever they may be. I know if I'm sick

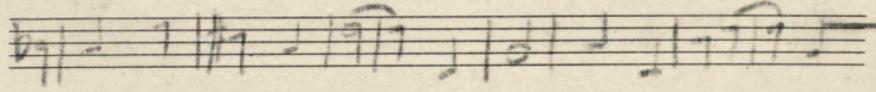

or wounded It's good care you'll take of me. America, America
CHORUS.

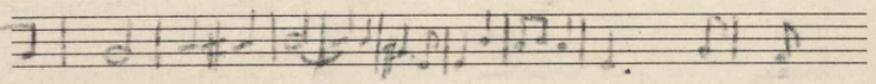

first! The home of the brave and free! America, America

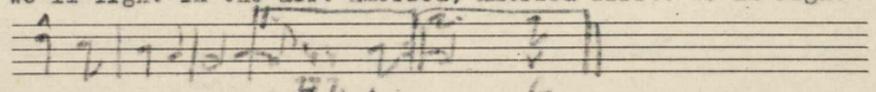

first! With our President we stand, United to fight the foe

And drive him from our land; We'll fight on the ocean, Or

we'll fight in the air. America, America first! We'll fight

for you anywhere!

2.

America, America first!
Our watchword let it be;
Till all bleeding countries
Are from the foe set free,
Until that dread foe is vanquished,
America, 'tis for thee
In khaki clad your brave boys are now
In trenches across the sea!
