When we boys from Dixie and the Yankee-doodle-does,

Give to Kaiser Bill around or two; He'll line up his Huns, unload

his guns, And salute the Red and White and Blue.

CHORUS.

We'll give him fits across the Rhine, Until he says "Wilson's

a friend of mine, "And tells to General Pershing, that he's had

enough, While his yaps yell, "Three cheers for the boys in blue."

2.
Then we'll come ^a marching back, when we've cleaned up
~~the~~ the yaps;
For the medals that we there, have won
With our good old U.S. army guns;
For we'll have the Kaiser on the bum.

3.
We will leave these German bands to play America;
Kaiser singing "God bless Uncle Sam".
And then we'll come back with ^{our} flag mast-high,
Boys from Dixie, ~~the~~ Yankee-Doodle-Deos
