WITH OUR BOYS WHO ARE OVER THERE.

Words by John Stanker.
Tempo di marcia.

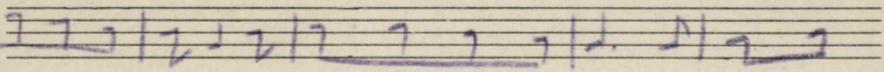

Music by Luther A. Clark.

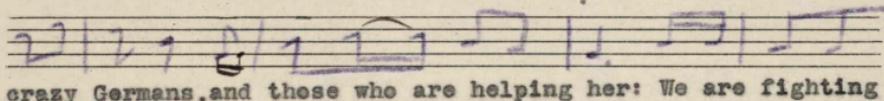

Dear women, men and children, all of good old U.S.A.

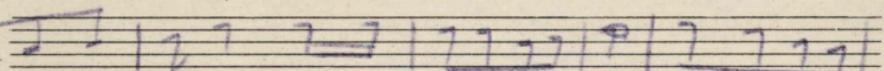

Who are helping us to win this horrid war. We've lots of men

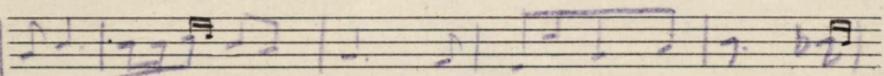

across the water, And we've lots more to send. So fight these

crazy Germans, and those who are helping her: We are fighting

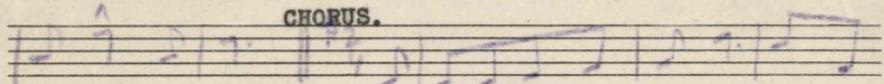

for world freedom, with our Allies over there. With us Woodrow

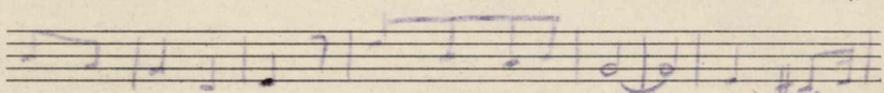

Wilson, General Pershing too, - He's over there in France to

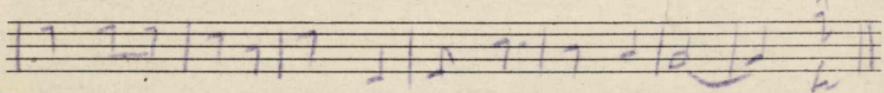

CHORUS.

help win this war. So women, men and children, do the

best you can To help us fight our country's cause; Back up our

boys who are over there, And bulwark freedom's cause.

and

George Washington fought for his country, ^{and} won his battles too;

Next came Abraham Lincoln, he fought and won, ^{his} too;

And now to win, we've Woodrow Wilson;

Our boys are over there;

The stars and stripes are flying o'er the waters now, and soon,

They'll be flying over Berlin, when our boys get through

Because we ^{Yankee laddies} ~~Americans~~ will never lose a battle now, ^{and}

Never will give in, until we've won the day.
