Tempo di marcia

Gen'ral Per-shing we are strong for you, You're a true son of the red, white
Gen'ral Per-shing we are strong for you; You knew just how, just where & when

and blue, You made the Kaiser weary when you got his goat at Thi-erry
to do, You made old Willie grunt when you pull'd your Yankee stu-nts

and kept our boys a-go-in right straight through, You get
and capt-ured each machine gun and its crew. You were

Hin-de and Lu-de both on the slide, and you
ready when Gen'ral Foch get in a pinch, and you

cleaned up St. Mihiel salient in a day; On the 'leventh of November,
drove them 'cross the Marne like 'twas a cinch; You did lean our Allies Morale

You made the Huns sur-render and made the world safe for Democ-ra-cy.
The Huns you made to quarrel and saved the boys we en-trust-ed to you

Chorus:

Gen-'ral Per-shing you are a sol-dier, and an up-right no-ble man, we all

claim you as our here, you've made this world so grand; You put

an end to all this tur-moil, You've light-ened ev ry heart,

The whole world loves you Per-shing, For you've sure-ly done your part.
