But when Old Glo - ry was flung to the breeze you should hear those Sam-mies cry
boys who have gone for De - moc - ra - cy's sake can you blame them if they say
There's on - ly one flag that we love, the old red white and blue,
Old Glo - ry see she proud - ly waves we'll give our lives for you,
We dear - ly love your stars and stripes no mat - ter what they say
It's your flag and my flag too, the flag of the U. S. A!
