O - hi - o of the grass-land And the wav - ing, bil - lowy plain, O -
 Men march from out O - hi - o As they marched from here be - fore, To
 Their moth - er, greet A - mer - ica, Now calls her sons to fight, And

hi - o of the roll - ing hills Cloaked in the gol - den grain; O -
 lay their good lives down for God Out there at Free - dom's war, To
 from O - hi - o comes the call, Sound - ing from out the night; They're

hi - o, whose pure beau - ty Now needs no po - ets pen — O -
 lay their yes - ter - days away And all that's sweet - ly been; And
 loy - al, they are he - roes, And need no po - ets pen — God

hi - o sends to fight for God, Her brave O - hi - o men!
 let us not for - get them now, The good O - hi - o men!
 bless them and pro - tect them now, The brave O - hi - o men!
