UNCLE SAM'S OCEAN LINERS.

Mrs. Alice G. Haro.

M. DuFreux.

Handwritten musical score for the song "Uncle Sam's Ocean Liners". The score is written on six staves. The first staff begins with a treble clef, a key signature of one sharp (F#), and a 4/4 time signature. The lyrics are written below the notes. The score includes a chorus section marked "(CHORUS)" and a key change to 2/4 time indicated by a double bar line and a new key signature of one sharp. The lyrics describe Uncle Sam's ocean liners and their role in the war against Germany.

He's got fire in the furnace and the steam's all up, The
 throttles and the governors are all held up; He's patchin' the
 safe-ties and holdin' them down, He's going for the Kaiser with his
 dog - 11 hounds. (CHORUS) Un - cle Sam, Oh! he's got the ocean lin - ers,
 Un - cle Sam of the U. S. A.; Un - cle Sam, Oh! he's got the ocean
 lin - ers, And he's going to make a record for the U. S. A.

(2)

He's got lookouts in the foremast for submarines,
 And little tenners hidden where they can't be seen;
 Sailing across the great Atlantic is our Uncle Sam,
 He's gone to put the Kaiser out the German land.

(3)

He's got fifty million shrapnelless part the load,
 Ammunition, gun and cannon all galore;
 He's got artillery men and soldiers on the upper deck,
 The officers and generals in the cabin set.

(4)

He's got all the traps and trepitions of an army grab;
 From the little bit of rifle to the baby grand;
 And he's driving his liners for all they're worth,
 He's gone to put the Kaiser right off the earth.
