Chorus
win the game We'll prove we're heroes just the same
Ka! ha! ha! she's my sweetheart too, She's the one with eyes so blue. She
mf
certainly is a sty-lish kid dressed in over-alls with a bib. Hur-rah for my over-all girl in blue, She's my sweetheart, she'll be
true. She can dance and she can whirl, She can knit and she can purl, She's my love-y love, She's the dope, she's the girl who gives me hope. You just
bet for she'll be there, When I get back from over here, So hurry up boys, lets win the game, We'll prove we're heroes just the same.
