-2-

U.S. is the home of a peace loving race
Not always looking for war,
But don't step on the toes of Uncle Sam
Or you will get what you're looking for

Chorus: They we'll all.....

-3-

We got in this war by no fault of our own,
But we're not afraid to fight
You will find us Johnny on the spot
When it comes to doing right

Chorus: Then we'll all.....
