Oh to be loved by millions of souls, I wish I could be with the boys.
 E-ven the child with glue leaves his toys, I wish I could be with the boys.

CHORUS

I wish I could be with the boys, And go march-ing a long, such joys! Sol-dier

p-f

boys I see them here and there, In pic-tures, mov-ies, march-ing ev-ry where, Shoulder

arms and off to France, Gee I wish I had the chance To

be a sol-dier of the U. S. A., I wish I could be with the boys.
