kah - ki clad he - roes will draw their bright spear.
dug - outs and trench - es or fields of the slain.
cheers and hur - rahs for the kah - ki clad men.
CHORUS
Come fill up my cup and drink to the men That gal - lant - ly
p - f
fight for our coun-try and king. The kai - ser and hun must
go to the wall, For the kah - ki clad he-roes have vowed they shall fall.
