HE,S A BETTER MAN THAN YOU KAISER BILL. Words & Music By George Fairman.

You may talk about this war, and the things we,re fighting for.
And the wonderful preparations of the Hun.
When the Kaiser first commenced it.
Uncle Sam was dead against it.
For all the awful things that he had done.
But now that Uncle,s in it.
I know He,s in to stay.
And to Kaiser Bill I want to say.

CHO.

Kaiser Bill Bill Bill.
You had better make your will.
The judgement day is coming mighty soon.
No matter what you do, there,s no hope for you.
We,ll make you dance to a yankee doodle tune.
You have joked about our Nation.
And all we,ve tried to do.
But Uncle Sam will get you, yes he will.
Though you slander and upbraid him.
By the living God that made Him.
He,s a better Man than You Kaiser Bill.
