more to us than gold, Our flag the Red, White and Blue.
I'll come back to you, Lov - ing the Red, White and Blue.
CHORUS
We tried hard to be neu - tral, But those Ger-mans were bru - tal, They
sank our un - pro - tec-ted ships, But they'll sink no more ships, As long that we stand
true, Fighting for our flag, the Red, White and Blue.
