i - ron claw, Which is worse than the dark and si - lent grave.
far from me, Yet it will be with me on mem-'rys wall.
and well meet, Some hap - py day to live for - ev - er - more.
CHORUS
I am fight-ing for my south - ern sweet - heart, She's the noblest
girl on earth to me; I will die to free the right from the
Ger - man force of might, And to make the stars and stripes for - ev - er free.
