boys in kha - ki get to France, They will get old Bill if they get a chance, For
leave the shores of their home land, They are bound to get just what they de - mand, We
Ger - mans see we mean to fight, And they all know that we are in the right, Then
when Un - cle Sam gets start - ed, Then the Huns will have to run.
will show them what we're made of, If it takes a hun - dred years.
the war will soon be o - ver, And then peace will reign once more.
CHORUS
When the boys of Un - cle Sam - my, Start to fight for you and me,
There's a way to get the Kais - er, And they'll get him there.
