"NAUGHTY LITTLE RED CROSS NURSE"

By Cliff Friend.

A soldier boy was shot one day Over There in No Man's Land
And a Red Cross Nurse was the first to lend a helping hand.
She thought he was of the enemy, and it filled her heart with dread
But the soldier boy was a Yankee boy, and this is what he said:

Chorus

"Just load your gun with kisses and shoot at me all day
Entrench yourself right in my arms;
I'll surrender to your loving charms.
There's no fun in fighting; you know that love comes first.
But if you kill me, kill me pretty, Naughty Little Red Cross Nurse.
You heard me, Naughty Little Red Cross Nurse."
