Music by

When the morning breezes blew And the flow'rs were wet with dew, Then we heard the ring-
ing
When the Kais-ers ty - rant horde, Sought to trif - le with our sword, Strong we drew it blaz - ing

of the bell; _____ As a sol - diers train went by, Loud and
in the air; _____ And our boys with flash - ing eye, Bold - ly

clear we heard the cry, We'll be look - ing for you back, fare - well, _____
stood to do or die, And they're fight - ing now for us, "O'er there!

CHORUS

3

We'll be look - ing for you back When this cru - el war is o'er, We'll be looking for you
back, We can hear the can - non roar When the boys round up the Kaiser, In his
home be - yond the sea; We'll be look - ing for you
back To our land of Lib - er - ty.

3

Look out Kaiser, Uncle's boys
You will find they are no toys;
With their red blood surging thru their veins
They will boldly strike with vim,
Your old throne must soon give in,
We'll be looking for you back again .

4

U. S. Soldiers, Uncle's Boys
Will not wait when their home joys
Have been made the target of a foe;
Look out Kaiser they're on speed,
You will get just what you need,
For our boys are ready, now they'll go .
