3. Thousands of soldiers now are at the naval stand
They are there to represent America's free land
And the Sammies have the brains to produce the aeroplanes
That will annihilate the Teutons to a man.

4. Now that Austria-Hungary's time is nearly run
They can easy read their doom in the setting sun
When this cruel war is o'er and peace reigns on every shore
The monarchs of the world will be o er come.
