Oh boys of the U - ni - ted States they say _____ That
There is not one of all the boys in brown _____ Who

you are brave to go so far a - way; _____ All
says that he does not want to come back; _____ It

moth - ers and sweet - hearts long for you back Wheth - er
mat - ters not if one lived in a shack, And pat -

you lived in a man-sion or shack. _____ All are say-ing
ri - ot - ism none of them lack. _____ But the fire-side

I love my boy in brown, And hope that he will soon re - turn to
so cheer - ful and so bright, Is bet - ter than war's mis - er - y in

town; _____ You were true and an - swered your coun - try's
sight; _____ And the boys in brown are long - ing to

call, Moth - ers, sweet - hearts, don't for - get af - ter all. _____
see Their moth - ers and all old friends who are free. _____

They're hoping and praying this war will end
For memory of home sweet home behind
And their sweethearts are always in their mind
Although the French to them are very kind
The boys in brown left at their country's call
But they would love to be home after all
And whether they lived in mansion or shack
The brave boys in brown are all welcome back.
