CHORUS

Come boys, come boys, save the Stars and Stripes,

*p-f*

Come boys, come boys, let's fight them till they're white, We'll drive the

Ger-mans to the Hell of their own sea.

Now the German zeppelins are buzzing far on high,  
 They're afraid to lower for they're hugging close the sky,  
 They're becoming sorry that they tried to fight our lads,  
 'Cause we are fighting like our dads

So we will make a victory for our Stars and Stripes,  
 A vict'ry that's won by blood, by power and by might,  
 And then good Old Glory will wave proudly o'er the wave,  
 And then for joy we all will weep.
