CHORUS

For right we fight, A - men, and A - men; If to kill be wrong, God for

For those still in dark-ness We must win the day; Old Glo - ry must still

Brave Mother, march with you noble boys,
 Who can better than mother share sorrows, and joys,
 Oh we fight for right this sweet message rings,
 And hope and courage to all now brings.

War has a lesson it longs to teach,
 For it has a good message it don't fail to preach,
 That the flag of pity will wave on high,
 With ev'ry outrage Heav'n moans a sigh.
