The man of the hour---The man of the power,
Is none else than "MY SOLDIER BOY"
The man of the day---To show them the way,
Is none else than "MY SOLDIER BOY"
His uniform grand---In line he will stand,
Never a better "SOLDIER" held a rifle in his hand.
He'll save the day---We hear them say,
And hes going to sail away.

---CHO---

"MY SOLDIER BOY", I hate to see you go,
For when you leave, I'm going to grieve I know.
But duty calls so don't be late,
While you're away I'll be thinking night and day.
Of the time when you come sailing home,
The ones you love will greet you and no more you'll roam,
You are our love, our pride and joy,
We'll wait for you-we'll pray for you-for you "MY SOLDIER BOY".

He's over the top---No thought of a stop,
He's none else than "MY SOLDIER BOY"
He will break that line-He will cross the Rhine,
He's none else than "MY SOLDIER BOY"
Oh! don't he look grand?-The pride of our land.
Never a better "SOLDIER" marched behind an ARMY BAND.
We know he'll fight--Fight for the right,
Let the BAND play with ALL IT'S MIGHT.---------CHO.
