CHORUS.
Yan - kee girl you know.....
fight the last world's war.....
Will you be true to me dear,
When I'm a - cross the sea,.....
Chas-ing the Hun while he's on the
run, O-ver in Ger - man - y?.....
And when the vic - tors come
march-ing home, Back to Col - um - bi - a's shore,.....
Won't you feel
proud if I'm in the crowd, That won the great World War?.....
