# Good-Bye Dearie

Dearie the time has come to say good-bye
Uncle Sam needs me that's the reason why
I'm going to be a Soldier true
Fight for the Red, White and Blue.

Don't let a tear drop ever dim your eye
Keep up your courage never let it die
When you are lonely sad or blue
Dearie I'm fighting for you.

## CHORUS

Good-bye Dearie I'm off to War
Now don't be grieving
Smile when I'm leaving
Do your bit be loyal and true
When it's over I'll return to you.

Nianne Ghirardelli.
