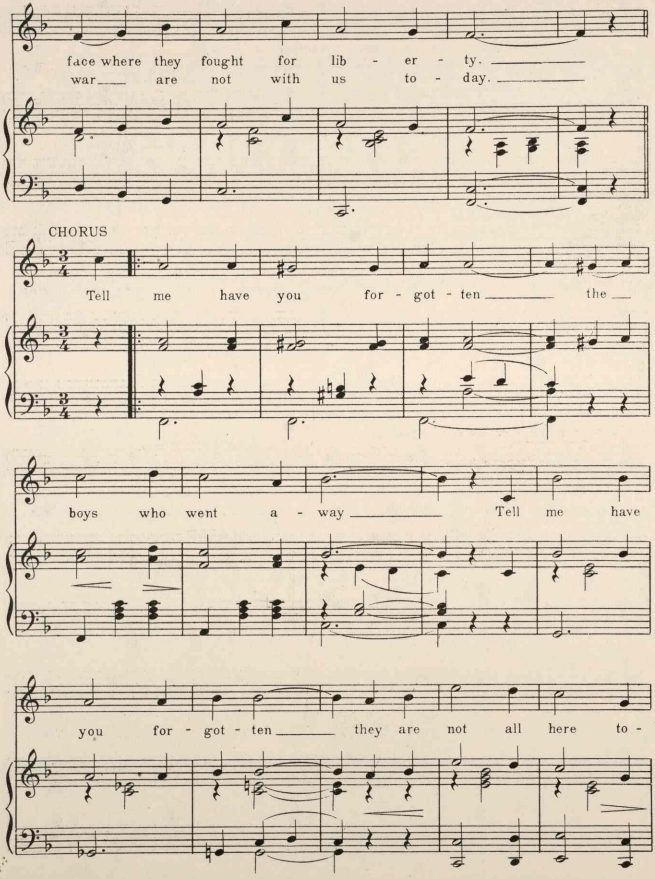
day that our he - roes marched a - way To
day we were just like child-ren at play But
sail o - ver seas to for - eign lands where
now man - y hearts are sad and sore and their
now man - y mon - u - ments stand To
heads are bowed and grey For
show us the place where they came face to
man - y who were with us be - fore the



face where they foug·ht for lib - er - ty.
war___ are not with us to - day.
CHORUS
Tell me have you for - got - ten the
boys who went a - way Tell me have
you for - got - ten they are not all here to -
