WE ALL WANT A SEPERATE PIECE
OF KAISER BILL

Lyric by Vincent Bryan Music by Jack Glogau

1

What's that we hear, that voice of cheer
The bugle call to one and all rings loud and clear
We're all getting up, we're all getting up
We're all getting up this morning
We're all full of pep, so fall into step
We're all full of Pep to day
Then Thundering along, Ten hundred Thousand strong
The Ringing swinging footsteps of our army sing this ~~song~~ song,

PEACE PEACE WAR MUST CEASE, PIECE PIECE PIECE WE WANT PIECE

Chorus

Oh we'll win it, Oh yes we'll win it
Peace for England, Belgium, France and Italy
There's no limit, Oh there's no limit
For our peace and Liberty on Land and sea
We'll share our PIECE with all the lands on earth
Till that PIECE is won you'll find us fighting still
We all want war to cease, We all want a separate PIECE
We all want a separate PIECE of Kaiser Bill

2

It's in the air, it's everywhere
That bugle call to one and all we hear declare
Coffee, Coffee, coffee, the thinnest ever seen,
Soupy, soupy, soupy, without a single bean
Wheatless, meatless, sweetless, eatless heatless too
Everybody's treatless, what are we goin' to do
From lunch they step away, all full of pep and gay
The ringing swinging hammers of our workmen seem to say

PEACE. PEACE. WAR MUST CEASE. PIECE PIECE. PIECE. WE WANT PIECE.

Second Chorus

Oh we'll win it, Oh yes we'll win it
Peace for England Belgium France and Italy
There's no limit, Oh there's no limit
For our Peace and Liberty on land and sea
We're in to win ~~*****~~ our PIECE from Kaiser Bill
It will be an everlasting Piece at that
For the PIECE we take you see, is a PIECE of IVORY
From between the KAISER'S SHOULDER and his HAT.
