(Mountain Maid's Invitation)

*(Adapted for use by United States of America, land, sea and air defenders (and schools, if you please.)*

His Excellency The President Woodrow Wilson  
White House  
Washington,  
D. C.

Mr. President:

In Christ Jesus our Lord, greeting and blessing!

"Silver and gold I have none, but as I have give I thee" Acts III, 6 etc.

Enclosed manuscript speaks and pleads for itself. Not seeking undue notoriety but desiring your approval for the uplifting and strengthening of our boys, here it is! If for your waste-basket? Well and good. If not, then kindly let me know of your approval and dispose of it so that not selfish people claim it and fill their own pockets by it. In the meantime our humble prayers for "our Land" and all therein shall be directed to Him Who rules Wind and waves and has life and death in His hands for our best.

In Christ Jesus our Lord's Saviour's  
pardoned sinner and child of God  
Yours very humbly
