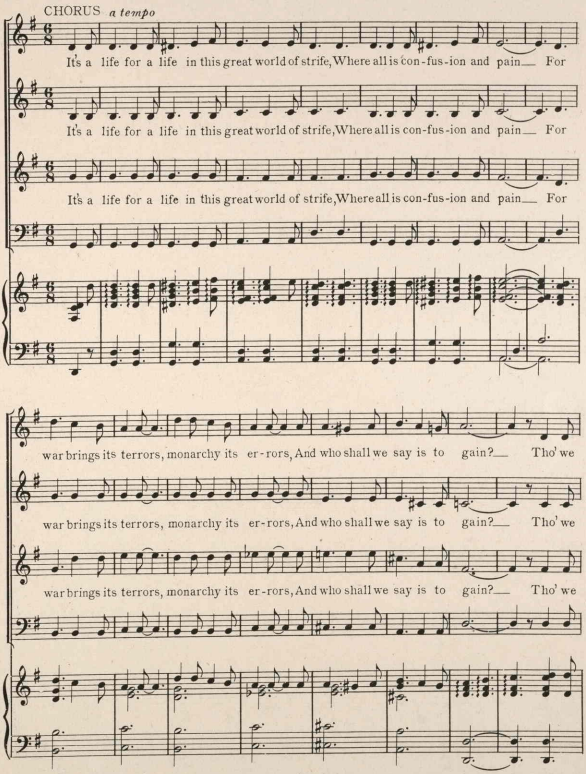
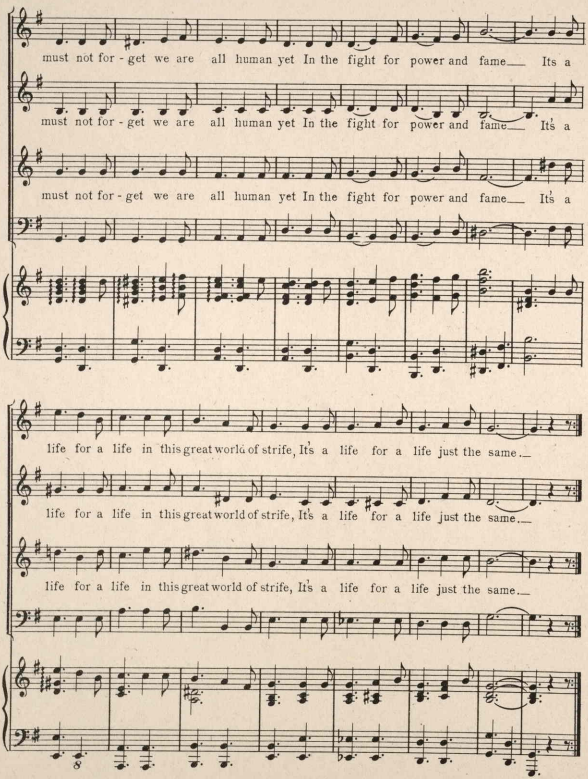
sol - dier's re - turn a - gain To this land of the
fear I'll nev - er more roam For I know that to -
free where we all love to be In this won - der - ful U. S.
mor - row the lives that are lost Can - not be - count - ed one by
slower
A., And we sigh as we sad - ly think of our
one, On - ly one great re - cor - der whos watch - ing to -
rit.
boys, Our boys so far, far a - way.
night Can count for all that are gone.



CHORUS *a tempo*
It's a life for a life in this great world of strife, Where all is con-fus-ion and pain For
It's a life for a life in this great world of strife, Where all is con-fus-ion and pain For
It's a life for a life in this great world of strife, Where all is con-fus-ion and pain For
war brings its terrors, monarchy its er-rors, And who shall we say is to gain? Tho' we
war brings its terrors, monarchy its er-rors, And who shall we say is to gain? Tho' we
war brings its terrors, monarchy its er-rors, And who shall we say is to gain? Tho' we



must not for - get we are all human yet In the fight for power and fame Its a
must not for - get we are all human yet In the fight for power and fame Its a
must not for - get we are all human yet In the fight for power and fame Its a
life for a life in this great world of strife, Its a life for a life just the same.
life for a life in this great world of strife, Its a life for a life just the same.
life for a life in this great world of strife, Its a life for a life just the same.
