"The Man of the Hour"

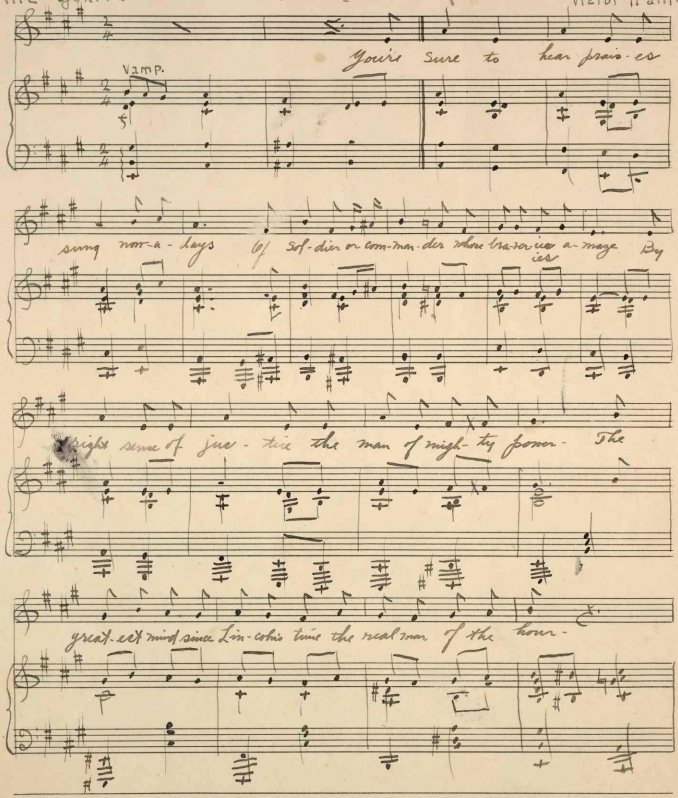
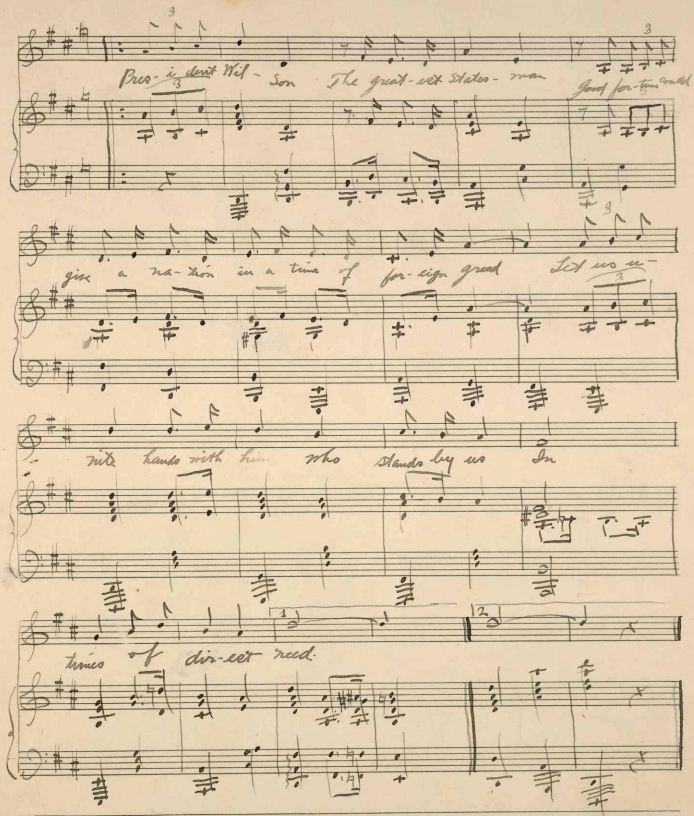
Music by Victor Hammond



2nd Verse

You don't find born leaders, once a decade,
With mind and convictions sure and unafraid
When next to the poles we, shall make our voting trip
It's in our power - him to endower
With real "dictatorship."

Repeat Chorus



Pres-i-dent Wil-son The great-est states-man
Good for-tune could
give a na-tion in a time of for-eign greed Let us u-
nite hands with him who stands by us In
times of dis-cer-ned.
