Moderato
Vamp.
We've
The
heard a- bout the dear old stars in a back-ground of sol- id blue, Which rep- re-sents this
conquest of those years was mastered; but were waging them now all the time, Maybe not as of yore but in
count- ry's stride In an ef- fort to be true — This nation seems in peril now It
some other way it may be in greed or in crime If we held more real love for our country by
rit. dim
may have seemed so then — But the God of us all is watch- ing and wants to guide his men.—
holding more love for mankind then the Chief of this wonderful nation would know when he called whom he'd find
rit. dim.
