won't you tell me if my sol-dier boy's all right. Guide him, through ev-'ry dang-er,

Hide him, from ev-'ry stranger; If he has to go, Out to meet the foe;

Mister Moon, I can see a smile up - on your face so bright, Does it mean my boy is safe to -

night? A cloud may hide your smile from me very soon, So tell me please Mister Moon,

How is ev - 'ry thing on No Man's Land? Land?
