CHORUS
I hon- or you as a veil of vic - to - ry, When raised to meet a
mad - d'ning foe. Thy shin-ing stars have proved a mys-ter - y, And
hand of fate is not your goal. O flag of my na-tion, I sa - lute you!
Oh, the glow-ing twi-light bids you lower. Oh, the dawn of peace must
raise you! Oh, the haunts of war must rise no more! I hon-or more!
