Now the na-tives of New- port have dis- covered a new- sport go- ing up and down-  
Now then as I was say- ing their spee- tac- u- lar play- ing keeps them bus- y night.

— the Town To hear an or- gan- i- za- tion that has caused a sen- sa-  
and day They give a band con- cert dai- ly just for Lieu- te- nant Sta-

- tion un- der Mis- ter Tom Clark Brown when those se- cond district Sai- lers go  
- ley and it seems they're here to stay but they're all true Yan- kee Sai- lers and

out on pa- rade— all the rookies march like re- gu- lars be- cause of the aid — of this brand new  
long for the chance to do their part by play- ing a bit near- er France they have done their

band that re- presents the re- serve. I can hear them now— As they're rounding the curve Oh Boy! Oh  
share of pa- rades up the street And the ship they rate— is the Queen of the fleet Oh Boy! Oh

Boy! Here comes that navy band it's bringing joy with music hand in hand no matter

how hard you try you cant keep still when sixty synco pated sailors show such skill they're passing

by you hate to seethem go— so off you fly— just like a Rou- e o— you roam a

round town no matter where you land you know you'll never hear an other like that navy band Oh Boy Oh band
