Chorus.
Oh! the Hun is on the wave We will make the sea his grave. Not be-cause we
hate him as a man. While the Hun is on the sea Nev-er will our flag be
free And for slav-er-y our coun-try will not stand. Oh! the Hun is on the wave So our
coun-try we must save Clear the decks for ac-tion is the word. We will drive him from his
poco rit.
lair; We will fight him an-y-where, We will make the sea se-cure for all the world.
