Chorus

Kiss her and she'll kiss you and then kiss her a - gain. — Squeeze her, please her

tease her, plead with her and then, — You'll know she likes it from the

look in her eyes, — She wont let on I'm just put-ting you wise, —

Last night I was talk-ing To some of the boys; Bud-dies from o-ver
They hung up some fan - cy post - ers, and, Paint-ed the bill boards

there, - They all told the same old sto - ry, Un-ele Sam had -n't treat - ed 'em
bright, It did -n't seem true the things they said But they sound-ed and looked

fair, - It's true that the war is all o - ver. We want to for - get it
