Chorus.
Are we sor-ry, are we lone - some? list - en to us cheer! We are
p-f
go-ing ov-er yon - der, They're not com - ing ov - er here; We'll soon be ov- er there in the
thickest of the fight, To offer up our lives, for we know that we are right; Once we shoulder arms, we will never lay them
down, Till the Kaiser of old Germany no longer wears his crown. "Our country called us," we have
1
2
ans - wered, we can no longer stay, We're on our way, boys, we're on our way!
